

Dear Members First Community Credit Union member:

Did you know that death rates from life-threatening injuries are three times as high in rural areas than in urban settings? During a medical emergency, *time* saved can mean a *life* saved.

As your local air ambulance, serving residents of West Central Illinois from our base in Quincy, Air Evac Lifeteam understands the critical aspect of *time* in treating medical emergencies. For those of us living in rural America, our recovery can depend on how much time it takes to be transported to an emergency room. Air Evac Lifeteam can cut that transportation time *in half*.

Members First Community Credit Union (MFCCU) has partnered with Air Evac Lifeteam to offer you the opportunity to join Air Evac Lifeteam's Membership Program at a special, "members-only" discounted rate!

Annual Membership Fees: For MFCCU Members

\$40 per one member household

\$45 per two member household

\$50 per 3 or more member household

An Air Evac Lifeteam membership not only gives you access to life-saving care, but also offers significant money-saving benefits. In the event you are flown by Air Evac Lifeteam for a life-or limb-threatening emergency, we will work with your benefits provider to secure payment for your flight. Whatever your benefits provider pays will be considered payment in full—no matter how many times a year you use our service—and even if you have no insurance. Furthermore, your membership is valid in all Air Evac Lifeteam service areas.

Enrollment brochures are available at either of the Quincy MFCCU locations. Drop off completed enrollment forms at these locations or mail to: Air Evac Lifeteam, P.O. Box 948, West Plains, MO 65775. (Payment must be made using a MFCCU account to qualify for discount). If you have any additional questions about the Air Evac Lifeteam Membership Program, please do not hesitate to contact me.

Air Evac Lifeteam cares about you and your loved ones. Our mission is to make it possible for people living in rural areas to get the life-saving emergency care they need, *when* they need it. Thanks to the support of our members, Air Evac Lifeteam can provide this vital service to your communities...while providing *you* peace of mind for you and your family.

Sincerely,

Penny Roberts
